Extended Day Enrollment Form

Extended Day is an optional extension of your child's preschool day. Extended Day is only offered to our 3-year-old and Pre-K classes.

Extended Day will be offered from September – April. **It will start on Tuesday after Labor Day and will end on the last Friday in April.**

Children in the 3-year-old and Pre-K classes may be enrolled in this program at the beginning of the year for the full year or for September – December only. If space is available, parents will be able to register students for January – April beginning in December.

Extended Day is an additional cost of $50 for 3-day classes and $85 for 5-day classes. Extended Day enrollment is based on the class in which your child is currently enrolled. Only children in the MWF 3-year-old class can sign up for the 3-day Extended Day. If your child is enrolled in a 5-day class they are only eligible for the 5-day Extended Day, even if you are not planning to use all 5 days. (The only exception to this is if an older child has a sibling not eligible for Extended Day – if this applies to your family, please speak with the director to talk about exceptions.) If you enroll your child in Extended Day, your monthly tuition rate will change to:

3 Days/week = $255/month
5 Days/week = $295/month

* This price includes Regular Tuition and Extended Day

If you would like to sign your child up for Extended Day, please fill out the information below and return. A form for each child is needed. If you are a parent of siblings, please fill a form out for each child.
